

Voice Works

The human voice is the most perfect
instrument of all.
Arvo Part

Aim of Course:

During this fun, interactive session, Priscilla Morris, will help students better understand the power of their voice and how, by speaking more clearly and assertively, they can build confidence and open doors.

Course content

- Understand how your voice works
- Build power through breath
- Improve your clarity
- De-stress and relax to limit voice tension
- Match body language to purpose
- Take the fear out of speaking in public
- Sell yourself at interviews
- Learn to enjoy communication
